Highlights

Access to all controls
The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Use with or without armband
Great for working out or hanging out. The included armband is removable, so you can choose to use the case with or without the armband depending on how you want to use it.

Adjustable sport-ready armband

The adjustable armband stretches to comfortably fit a broad range of arm sizes, and is secured with Velcro to keep your device nearby during any activity.

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.
